

Swd Rheinol Promotol FF

SAE 15W-40

High Performance Multigrade Engine Oil

Properties

Swd Rheinol Promotol FF 15W-40 engine oil is made from mineral base stocks and special additives. It provides a very good dispersency which keeps the motor clean and which prevents sludge built-up. By this additivation the oil is protected against aging and thermal oxidation and the engine against corrosion and wear.

Swd Rheinol Promotol FF 15W-40 is a high quality multigrade oil, which can be used in commercial vehicles and in gasoline- and diesel-engines of passenger cars as well. It has got performance reserves even at exacting loads and assures long motor operation life. Due to ist good viscosity-/temperature-behaviour and the multigrade properties all-seasons use is ensured.
